NATIONAL SECURITY COUNCIL  
WASHINGTON, D.C. 20506

October 25, 1968

MEMORANDUM FOR HOLDERS

SUBJECT: Re-Classification of Certain National Security Council Documents Concerning the National Petroleum Program.

In response to the suggestion of the Office of Emergency Preparedness, with concurrence of the other Departments and Agencies involved, the security classification of the following documents has been downgraded from Top Secret to Secret, effective this date:

(a) Memorandum for the National Security Council from the Acting Executive Secretary dated June 29, 1953, on the subject "A National Petroleum Program".

(b) Progress Report by the Director of the Office of Defense Mobilization on the implementation of a National Petroleum Program (NSC 97/5), dated October 1, 1953.

The security classifications appearing on the above documents should be revised accordingly.
